### Thunderstorm Advisory in Effect; Scattered Showers Expected

The National Weather Service (NWS) Guam Weather Forecast Office issued a **thunderstorm advisory**, in effect for the Guam International Airport until 6:30 a.m. this morning. Thunderstorms are possible or occurring within 20 nautical miles of the airport. Be alert and take precautions as required. If lightning is seen or thunder is heard, remain indoors.

For the Marianas, periods of scattered showers and isolated thunderstorms are expected to last into Saturday.

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD) remind the community to practice caution while traveling on wet roads, driving below the speed limit and allowing enough braking distance between vehicles.
